Questions for Application

Focus: Finding Help through the Lord

- 1) What big "waves" have been hitting you lately? List below and describe their effect on you. (i.e. concern, fear, worry, uncertainty)
- 2) Do you sense that the Lord is "in the boat" alongside you in life? How can you gain the assurance God is with you? (A step forward in your relationship with Him, a Scripture to remind you, a confessing of something that's in the way, etc.)
- 3) Can you recall a "storm" that God stepped into and worked in - perhaps in your own life or in the life of someone you love?
- 4) What confidence does it give you to know that God is with you in every life circumstance? Read and describe Jesus' promise to His followers in Matthew 28:20b.
- 5) Do you ever find yourself trying to solve a dilemma before taking it to God in prayer? How does confidence that God hears our prayers affect your priority of inviting Him into your situation right away?
